Friends of the Nursery

This term we are setting up a new group, Friends of Bognor Nursery School. The purpose of the group is to organise social events for families and to raise money for rich, exciting experiences for the children. This year the focus will be on Understanding the World, an area of the Early Years Foundation Stage curriculum that focuses on People and Communities, the World and Information Technology. We are looking for Mums, Dads and Carers that would like to be involved in helping to organise these events. If you are interested, please speak to Shelley in the school office.

As always we welcome feedback from families about their experience of Nursery School. If you have any comments (positive or negative) that you would like to share please email me at head@brns.org.

Best wishes,

Joe Knutson
